

Are You Stuck in Your Job Search?

Maryland Tech Connection can provide you with the fresh approach you need to break free from the never ending job search loop and open a path to a successful career in IT or Bioscience.

REVITALIZE YOUR JOB CAMPAIGN

98% of participants would recommend the MTC Career Restart Boot Camp to others

- Develop a self-marketing plan to sell yourself to employers
- Identify the value you bring to an employer and how to communicate it
- Receive one-on-one career coaching
- Map and implement your new job campaign
- Expand your employment network and hear directly from employers

GET CUTTING-EDGE SKILLS AND CERTIFICATIONS

44% of participants train directly with businesses

- Gain the skills employers will be demanding for years to come
- Obtain the industry certifications and knowledge that will boost your marketability
- Connect to opportunities to learn on the job

RECEIVE THE SUPPORT YOU MAY NEED TO SUCCEED IN YOUR JOB SEARCH

71% of participants have benefited from financial support

- Tackle the hard topics you need to be resilient such as coping with stress and financial pressures
- Receive support to address life needs while in the program, if eligible
- Navigate the public resources that can alleviate your financial stresses

A study funded by the federal government is being conducted to determine how these training opportunities help people improve their skills, and find and keep jobs. During the study, eligible applicants will be selected by lottery to participate in Maryland Tech Connection training opportunities. Not all eligible applicants will be selected to participate in these opportunities. Equal Opportunity Employer/Program.
